1. Complete the Lifeguard Request Form fully. Indicate when & where you sent the Booking Fee to.
 2. Take several photos of the pool & deck area from different angles. Describe any outside venues fully.
 3. Email the photos and form to me as early as possible so I can work on securing your guard immediately.
 4. The Booking Fee of \$40 is due with this form and is only refundable if a guard can't be secured.
 5. Only "Friends & Family" payments are accepted. No "Goods & Services" payments are allowed.
- Our primary responsibility is the safety of your guests while in the water. As such, your Guard will need to meet with the Organizer prior to taking control of the water to discuss any known safety issues with the pool, surrounding deck area, features, potential swimmers as well as "house rules" you would like enforced, or, safety permitting, things you would like your guests to be allowed to do.
 - Although we make every effort to allow your guests to enjoy themselves at your event as they see fit, the final determination of activities allowed in and immediately around the pool, the number of swimmers in the water at any one time, any possible "time outs" for failure to listen to your Guards instructions and any other safety issues are entirely up to the professional judgement of your Guard.
 - Although we do not expect any significant difficulties, should any issues arise, we do expect the complete support of the Event Organizer with any decisions that your Guard makes regarding the safety of your guests. Should that support not be forthcoming, we do reserve the right to clear the pool and your guard will leave the Event.
 - The pool MUST BE CLEARED and verified ok by both the Organizer and your Guard prior to taking over guarding duties as well as emptied again and verified ok by both the Organizer and your Guard prior to your Guard leaving at the end of the Event.
